HIT GAMES 6 PORTFOLIO

VARIETY! EXCITEMENT! WINNING! A GAME FOR EVERY PLAYER!

Hit Games 6

JVL's **Hit Games 6** is an extension of the already comprehensive Hit Games portfolio. This updated collection features 14 brand new titles and improvements to 2 proven favorites!

With a total of 63 games, from 5-line, high denomination classics to cutting-edge 100-line stacked symbol free spin delights and everything in between, **Hit Games 6** has them all. Every game has configurable denominations and offers multiple RTPs, with many featuring multiple line configurations as well. All games also support exciting standalone and banked mystery progressive options:

DSAP

- 2 Level Standalone Mystery Progressive
- Each game displays its own unique customized progressive graphics on the top screen.
- Reset and Must-Hit-Before values are highly configurable.
- Available on Altera, Altera HH, Maple HH, and Echo cabinets.

BANKED

Treasure Hunt and Lost City Banked Mystery Progressives

- Linked Mystery Progressive bank
- Configurable from 1 to 6 Progressive Levels.
- Multiple banks can be linked within a property.
- All linked cabinets display custom Treasure Hunt or Lost City progressive graphics on the top screen.
- Supports JVL Digital Progressive Sign video wall with custom Treasure Hunt or Lost City display and animations.
