MEGAHIT 1 PORTFOLIO

VARIETY! EXCITEMENT! WINNING!

A GAME FOR EVERY PLAYER

MegaHit 1

JVL **MegaHit 1** is the first multigame product to be featured on the exciting new *FLEX* cabinet. It features 54 proven JVL player-favorites and introduces 10 never-before seen video games. Whatever experience your players prefer, **MegaHit 1** is sure to have a game they want to play. From 5-line, high denomination classics to cutting-edge 100-line stacked symbol free spin delights and everything in between; **MegaHit 1** has them all, and all are presented at full HD on the gorgeous new *FLEX* dual-screen cabinet complete with vDeck video button panel. Every game has configurable denominations and offers multiple RTPs, and many feature multiple line configurations as well. All games also support two great mystery progressive options:

DSAP

- 2 Level Standalone Mystery Progressive
- Each game displays its own unique customized progressive graphics in the top screen.
- Reset and Must-Hit-Before values are highly configurable.
- Available on *FLEX D27* and *FLEX V32* cabinets.

BANKED

Big Cat Jackpot, Lost City, and Treasure Hunt Banked Mystery Progressive

- Linked Mystery Progressive bank
- Configurable from 1 to 6 Progressive Levels.
- Multiple banks can be linked within a property.
- All linked cabinets display custom themed progressive graphics in the top screen.
- Supports JVL Digital Progressive Sign video wall with custom themed display and animations.
- Supports JVL Digital Topper Signage with custom themed display and animations.
